in B2B platform bookings

109% increase
in B2B order totals

TWISTED X

SUCCESS STUDY

"We've been utilizing Envoy for 6 months and have had **incredible results**. The end user interface is **extremely sharp and friendly**. As the NetSuite Administrator, I'll admit that the Envoy/NetSuite bundle and integration is **simple and low maintenance**. I highly recommend for any AFA customers out there." - SuiteApp.com review
